

Saddle Bronc

Date of Birth: 04/14/2016

Courtesy of Cliffhanger Genetics

We are really excited about this young Saddlehorn son. He is long and tall with a great back on him. Real smooth. Beautiful paint color with good horns that lean back. He will be put in with about 35 cows for the summer of 2018.

TTT: 63.3750 on 11/19/2018
