

Smokey Blue

Date of Birth: 04/15/2016

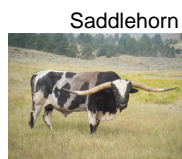

Courtesy of Cliffhanger Genetics

This young bull has the rare deep blue color. It comes from his father Saddlehorn who produces it more than any other bull in the industry. Smokey Blue's mother is Road Agent a beautiful Top Caliber daughter with over 76" tip to tip at a young age. This bull will be used on a limited number of cows the summer of 2018.
